Community Service: Linh Nguyen

Public Relations

Education Chair

Fundraising Chair

August 20, 2007

The first social event of the 2007-2008 school year took place at Tomfooleries bar and restaurant at the plaza. The attendance was impressive and included students from the first year, second year, and third year classes. Food was ordered and each student was given the opportunity to introduce himself or herself to the rest of the group.

After the introductions, the co-presidents welcomed everyone and overviewed the events planned for the Fall and Spring semesters. Copies of the agenda were distributed to everyone and the co-presidents went down the list of things to discuss including Fall elections, festivities, community service, fundraising events, and speakers. Open committee positions were listed and some seats were filled immediately including the secretary, two out of three M1 representative positions, and community service chair.

CONCLUSIONS

- Secretary, M1 Reps, and Community Service positions were filled in
