

General directions to the University of Kansas Medical Center:

From the Airport:

There are several ways to get to the city from the airport:

- Taxi Service (expensive – airport about 15 miles from KU)
- Limousine Service
- KCI Airport Shuttle leaving every 30-40 minutes.
- Rent a car (use driving directions for I-29)

Driving Directions:

I-70

If you travel by I-70 -- take I-70 to Kansas City, Kansas. Continue on I-70 to the 18th Street South exit. From 18th Street exit onto I-35 North, to the 7th street South exit. Stay on 7th Street (which will turn into Rainbow Blvd) to 39th Street (approximately 1 mile).

I-29

If you come by I-29 continue on I-29 to I-635 (Kansas exit) to I-35 North. Continue on I-35 until you reach the 7th Street (Rainbow Blvd) exit (you will travel south on 7th Street (aka Rainbow Blvd).

I-71

You might take Highway 44 to Joplin, to Highway 71 to 435 West to the State Line Rd exit. Take State Line north to 39th Street. (Driving down State Line is through residential areas and will take probably 15-20 minutes. It's a straight drive. Several of the freeway exits are under construction, thus the alternative route.)

I-35

I-35 runs a few blocks north of the medical center. Continue on I-35 until you reach the 7th Street (Rainbow Blvd) exit (you will travel south on 7th Street (aka Rainbow Blvd).

At the corner of 39th and Rainbow is the Medical Center. On the east side of the complex (directly across from the hospital) is a multi-level parking garage. We will validate your parking ticket (you must give your ticket to me to stamp).
